## **PROJECT**

### **My future career path**

The aim of this project is to encourage Ss to think about possible career paths they may want to follow, and to do some more research about the factors they have to consider if they are going to follow that pathway. This is a topic that is of immediate importance to the Ss' futures.

Divide Ss into groups of four or five and instruct them on what they have to do. Encourage them to think of a real path they might want to follow. Tell them to:

- give reasons for the choice
  - consider factors like qualifications, skills, hobbies, personalities, practical issues, and even the employment market
  - think about who can give them good advice, and why
- Ask Ss to draw a picture of their career path. Have them present their posters in the next lesson. When all the groups have given their presentations, let the whole class vote for the best one.
