THE GRAND BEACH HOTEL & RESORT EXPERIENCE

Although there has been a drop in tourism in the past few years, we're hoping to change that with the introduction of The Grand Beach Hotel & Resort. This hotel aims not only to bring back tourists to Australia's East Coast, but to also bring in business and provide jobs to local residents. A big question we often receive is: how do we plan on doing this? Here at The Grand Beach Hotel & Resort, we have spent several years looking for the best location and we've finally found it. The hotel is near many popular attractions. A twenty-minute drive north will take you to a popular national park and if you travel south there are dozens of amazing beaches to visit with family or friends. We care about only the best quality of service. As a result, we have employed some of the best chefs in the area so that tourists no longer have to worry about food poisoning or poor service. Also, we have ensured we have the best security so that nothing is stolen or taken by mistake. Everyone is invited to a stress-free vacation experience! We also have a taxi service that can pick you up from the airport, so there is no need to worry about breaking down on a bus. If anyone is looking to book a hotel, please contact us. You can either call us on +61002783456, email us at grandbeach@resort.com or send us a message right here on Facebook. We hope to see you all soon!
